Conceptual Approach for Incorporating Finance Planning Framework Into Volume 1 of Update 2013
June 21, 2012

This outline represents a first attempt to configure Volume 1 of Update 2013 (document and narrative). It represents a merging of Update 2009 outline with the Update 2013 finance planning framework. It also is intended to roughly follow the strategic plan flow of: “Where we are now”; “Where we want to be”; and “How we will get there”. The red text beneath some chapters shows how the new sections of the Update 2013 finance planning framework might fit into Volume 1.
