Climate Change Science and California Water Plan Update ‘09

Michael Anderson
State Climatologist
CCTAG August 28, 2008
Overview

- Scope
- Current Draft Status
- Known Holes
- Feedback and Help
Scope

• Observations
• Paleoclimate
• Future Projections
• From Science to Planning
Current Draft Status

- Text
- Figures
- Tables
- References
Known Holes

- Water Allocation
- Water Quality
- PIER Program Activities
- Paleoclimate Scope
- Looking Ahead
Feedback and Help
